Subject: Staff for the Administration of Evacuee Property.

A monthly remmuneration of Rs 10-0-0 to the clerk in charge of the Evacuee Property work in the Honavar Taluka office had been proposed for the year 1954-55 under this office even No. dated 13-1-1954 but the Government in the Rehabilitation Department sanctioned Rs 8/- eight only per month in their letter Nos EVP 1254/19916-B dated 16-6-1954 read with the No. even dated 25-8-1954. The date from which the additional remmuneration should be given effect has not been mentioned in the above Government letter.

In view of the proposals submitted from this office, it is presumed that the remuneration sanctioned by Government was for the year 1954-55 i.e. for the period from 1-3-1954 to 28-2-1955. It may please be informed whether the presumption is correct.

Below U.O.R. dt. 24.4.55 from Development Department may kindly be seen.

Vide Govt. Resolution, Development Dept. Bombay- 1 post of Inspector-cum-clerk in the scale of 40-5/2-80 E.B.5-100 has been sanctioned upto 31st August, 1955. in the Dist. Dharwar

In his letter No. ESTSR-8651, dt. 20.4.55, the Dy.C.E.P., Dharwar has made out a case for sanctioning a post of Inspector-cum-clerk in the time scale of Rs.46-3-85-EB-4-125-5-130 instead of scale of Rs. 40-5/2-80 EB-5-100 to enable him to post one clerk repatriating the acting incumbent Shri N.K. Pawte to his parent Department, Hubli Municipal Borough and ~~had added that~~ there will be no financial loss to Govt. in this proposal.

It does not seem necessary to agree with the proposal made above by the Dy.C.E.P., Dharwar as all the below evacuee properties are not so far transferred to Settlement Commissioner. :-

Residential premises.	9
Business premises.	2
Urban Plots.	4
Rural Houses.	2
Rural Agri. lands.	10.Ac.-20 Guntha

There is likely-hood that this Inspector Shri Pawte will have to be continued even after August, 1954 and hence it will be more useful to continue Shri Pawte who is working since long-time (i.e. from 1950) with Dy.C.E.P., Dharwar. With these remarks these papers may be returned to Govt.

There is ∴ no point in revising the scale for absorbing a person to be retrenched from the Supply Establishment. dated 22-1-1955.

One post of Inspector of Evacue Property was created in this District under G.L.Rehabilitation Department No.314/31564-B of 7-12-1949. This post was filled up with effect from 22-3-1950 by appointing one Shri N.K.Pawate, a non-matriculate taken on deputation from Hubli Municipal Borough. Shri Pavate was considered suitable, though a non-matriculate, since he knew Hubli Town full well and wa hence preferred to an outsider. This post has been sanctioned in the scale of Rs.40-5/2-80-E.B.5-100. Since the date of creation of the said post, it is being continued from year to year and has been last continued upto and inclusive of 31-8-1955 under the G.R.referred to above.

Now due to large scale retrenchment on the Supply establishment, reversions and retrenchments are being effected on the regular Revenue Establishment. If this post of Inspector-cum-clerk is sanctioned (*) in the time scale of Rs.46-3-85-E.B.4-125-5-130, one of the clerks from the Revenue Establishment can be posted and to this exten it will be helpful to absorb the retrenched personnel.

(*) for Hubli Taluka

I would therefore request you to move Government to sanction the post of Inspector-cum-clerk in the time scale of Rs.46-3-85-E.B.-4-~~5/2-80-E.B.5-100~~ 125-5-130 instead of in the Scale of Rs. 40-5/2-80-E.B.5-100 to enable me to post one clerk repatriating the acting incumbant to ~~to enable~~ his parent Department Hubli Municipal Borough from which

Reference : G.R.,Rehabilitation Department No.EVP. 1255/B, dated 22-1-1955.

In continuation of my letter number even dated 17-2-1955, on the above subject, I have to state that the continuance of the post of an Inspector in the grade of an Aval Karkun for Bhatkal Mahal also is considered necessary for the following reasons :-

Major portion of evacuee properties in this district numbering 785 lies in Bhatkal Mahal only. As already stated in para 6 of my letter referred to above, the arrears of rent from evacuee properties to be recovered is very heavy and therefore special efforts will have to be made for its recovery. As in most cases, the arrears pertain to the period prior to the date of declaration of the properties as evacuee properties, much difficulty would be experienced in effecting recoveries. In many cases, the tenants allege to have made payment of rental dues to the evacuees or their agents prior to the notification of the properties as evacuee properties. Such cases necessitate detailed enquiry to ascertain whether the alleged payments are genuine.

Furthermore, as the result of insertion of sub-section (2) ~~xxx~~ to section 4 of the Administration of Evacuee Property Act, 1950, the Tenancy law governing rent and eviction etc. would not be applicable to evacuee property and this will entail re-assessment of rental demand as per the agreed rent as was levied by the evacuee owner in the past. This will greatly increase the work and also ~~x~~ swell the arrears as the rental demand was hitherto made as per the provisions of Tenancy law.

All the above work is voluminous and labourious and it cannot be managed with one clerk. The services of a full-time clerk and an Inspector in the Aval Karkun's grade are therefore considered necessary for proper management of the property and speedy recovery of the rental dues.

I would, therefore, request you to kindly move

Aval Karkun's grade for Bhatkal Mahal Office, in the interest of work relating to the administration of evacuee property, and to allow to continue the post beyond 28-2-1955 in anticipation of Government sanction.

Reference: Government Resolution, Rehabilitation Department No.WF 1255/B, dated 28-1-1955.

Government have retrenched the posts of two Inspectors in this district with effect from 1-3-1955 and have sanctioned the continuance of two clerks and a peon only upto the end of August 1955.

2. In this connection this office report No.even dated 4-11-1954 in reply to your D.O. letter No.CWF/Estt., dated 21-10-54 regarding staff proposals for 1955-56 may kindly be perused.

Of the two Inspectors and two clerks, one Inspector and one clerk have at present been working in Bhatkal Mahal Office. The other Inspector and the clerk have been working in the Collector's Office dealing with the administrative work of the Deputy Custodian.

After the retrenchment of posts of Inspectors there will be one clerk in the Collector's Office and one in Bhatkal Mahal Office.

3. The work relating to Evacuee Property in this district has in no way decreased. The new amendment of 1954 to the Administration of Evacuee Property Act,1950 will only reduce the declaration of fresh properties. The change in the Act will not reduce the existing work relating to the administration and management of the properties.

4. So far, 1,010 properties comprising of 905 agricultural lands and 105 buildings have been declared as evacuee properties and have been under the management of the Custodian. In addition, some more properties will be declared as evacuee properties.

5. Most of the properties declared are composite properties. Out of 872 composite properties reported to th

400 properties have been passed by the Competent Officer. But these cases have not yet been finalised owing to revision of orders passed ex parte, non-consent of the Custodian for the value decided by the Competent Officer, recovery of arrears of rent in cases in which Custodian's consent has been given, non-payment of the value by the non-evacuee clairant in whose favour evacuee's share was ordered to be ~~x~~ sold by the Competent Officer, etc. Hence, no property has so far been finally disposed of.

In the cases before the Competent Officer, the stage, right from the beginning of issue of public notice till the properties are actually transferred or otherwise disposed of, will have to be watched by the Deputy Custodian and he will have to answer all references which would be received from the Competent Officer and the Custodian. The matter will not end with the orders of the Competent Officer separating evacuee's interest and deciding its value. Every such order of the Competent Officer will have to be examined and Custodian's consent or otherwise will have to be given from this office. This is an important aspect in which Custodian's interest will have to be safeguarded and further action taken by this office.

6. The recovery of rent from the properties, requires close supervision. In many cases it is noticed that the rental demand has not been properly assessed by the Jamadars and Assistant Custodians and arrears of rent from the date from which the property vested in the Custodian are still to be worked out and recovery effected This is a voluminous work as every case will have to be checked and coercive measures for the recovery of rent and action for termination of leases and eviction of defaulting tenants will have to be taken. Special attenti is required to be given to this work now only or otherwise it is likely that the arrears would accumulate and may prove irrecoverable. The normal revenue staff will not be

7. The maintenance of accounts in the Deputy Custodian's Office and the accounts in the taluka office require constant check. There has not been any reduction of work in the accounts or in various periodicals prescril Several urgent references calling for reports received from higher offices and Government require to be attended to promptly.

In the circumstances detailed above, continuance of one post of Aval Karkun in the Deputy Custodian's Office is considered necessary. I would therefore request you to move Government to continue the post of one Aval Karkun in the grade of Rs.100-3-140 in the Collector's Office and kindly to intimate continuance of the post after 28-2-1955 in anticipation of Government sanction.

Staff for.

Sir,

I have the honour to state that in Government Resolution, Rehabilitation Department, No. EVP-1255-B dated 22nd January 55, sanctioning the staff for the Custodian's organisation, it was mentioned against Kanara District, in remarks coloum, that full justification will be submitted for sanction of additional remunaration to the clerk in Honawar Taluka of the district. The Collerctor of Kanara has now approached this office for appointment of independent clerk for that Taluka and pending appointment for giving extra remunaration of Rs. 8/- per month to the clerk concerned who is doing additional work. A copy of his endorsment No. 8640/Estt dated 11th June 55 giving full justification of his proposal is enclosed herewith. In view of the work involved in Honawar Taluka it is recommended that the clerk doing evacuee work there in addition to his own duties, may be given the extra remunaration as proposed by the Collector and Deputy Custodian of Evacuee Property, Kanara with effect from 1st March 55. I request you to issue early orders in the matter.

Yours faithfully,

CUSTODIAN OF EVACUEE PROPERTY,
BOMBAY.

ENCL: Copy of Endorsment.

From the Mamlatdar and Asstt. Custodian, Honavar addressed to the Collector and Dy. Custodian of Evacuee Property, Kanara.

.....

Subject: Administration of Evacuee Property.

There are in all 10 individuals declared as evacuees since the enforcement of the Act. The properties so far declared and taken over management etc are as under:-

Perticulars of the property.	Properties declared and taken over management.	New properties to be taken over management	Total	Propertie in which proposals submitted for declaring as evacuee properties
Agrl.	144	92	236	3
Other than Agrl.	8	-	8	-
	152	92	244	3

There is no additional staff appointed for the purpose of administration of evacuee property in this taluka. Now the number of properties have also increased. The work in its nature is new and the accounts are to be main - tained in the ledger form. Much of the time is required for maintenance of its accounts.

At present the work is got done through the Tenancy clerk who is also saddled with other compilations, such as Mag, Sub-Jail, and other minor compilations. The Mamlatdar is invested with the Executive powers (Magisterial) under different sections of the Code of Criminal Procedure. There are more than 55 executive cases pending on the file in addition to the Tenancy suits mearing 600.

P.T. O.

C.O. the clerk cannot attend to any other work but to evacuee compilation. Written statements are to be filed after getting the requisite information from the R.R.s etc. from V.Cs.

When the clerk attends to evacuee work other compilation work in hindered and thereby other office work is bound to suffer. This office is already short of one hand and as such this work cannot be entrusted to any other clerk. As the number of executive cases and tenancy suits have increased, the clerk does not get sufficient time to attend to the work of management of evacuee accounts and the recovery work. Very often statistical information on different evacuee case is called for from the Custodian, Deputy Custodian and the Competent Officers at short intervals which are to be complied with immediately. The clerk has to attend the following stages in each case whenever the property is declared as evacuee property.

1. Correction of the Record of Rights.
2. Rent Assessment (Annually)
3. Execution of rent deeds.
4. Recovery of rent and other correspondence work.

In most of the cases, the rent is to be assessed from the date of migration or from 1947-48. This work is in arrears. This is to be reviewed after taking into consideration the recovery affected already and the arrears outstanding from individual tenants who happened to be in occupation during that period. This is voluminous work which will have to be done in all cases i.e. in 244 properties, the individual tenants will roughly come to more than 300. The recovery work of rent will have to

P.T.O.

The rent recovery work is to be got done through the existing Revenue talathis and Circle staff only. This recovery work required close watch and an independant clerk is quite essential for this work alone. The above facts and statistics justify the necessity of one clerk for this work only, if the accounts are to be kept upto date and the recovery work smooth.

The present tenancy clerk is getting an additional allowance for this work. But the above specified statistics justify the sanction of aclerical post for this work and I request the Collector to move Government for sanctioning an additional hand for this work only. If not, I am afraid, the evacuee work is bound to suffer.

In view of the difficulties stated by the Mamlatdar, Honavar with whom the under signed fully concurs the appointment of an independent clerk for evacuee property work is essential for its smooth working.

The Revenue work in Honavar Taluka is, heavy and as such the work in connection with evacuee Property is bound to suffer if no independent staff is given to look to it.

The additional remuneration of Rs. 8/- per month sanctioned during the year 195 -55, to the clerk dealing with evacuee property work in Honavar Talika may be continued till the questic of appointment of independent clerk is decided.

is self explanatory.

2 At present there is no extra staff for extension works in the Honawar Taluka of Kanara Dist. During 1954-55 a spl. pay of Rs. 8/- p.m. was sanctioned to the clerks doing the E.P. work in the Honawar Taluka of Kanara Dist. This year Govt. decided that full justification should be given before the spl. pay was continued in 1955-56. Pr. see in this connection a copy of a letter A 241/2155 from the A.C. E.P. Honawar. He has proposed that a post of a full-time clerk should be sanctioned for the work in Honawar Taluka. The proposal may be taken into account while ~~the~~ continuing the staff under the custodian beyond 31-8-55. The statistics of work (vide A at P.3/C) indicate that there is much work to be done in the Honawar Taluka. A remuneration of Rs 8/- p.m., as sanctioned last year, to the clerk concerned seems quite justified. The extra remuneration may be continued with effect from 1-3-55 till 31-8-56. Necessary order

Evacuee Property Act, 1950.

Sir,

I have the honour to forward herewith a copy of letter no. 8640/ESTT dated 24th June 55 from the Collector and Deputy Custodian of Evacuee Property, Kanara, Karwar, and to state that in the absence of specific date from which Government orders, Sanctioning Rs. 8/- per month as extra remuneration to the clerk attached to Honawar taluka office, should be given effect to, ordinarily orders should take effect from the date of Government letter i. e. from 16th June 54. In the present case, however, as the clerk concerned was already looking to the work prior to the issue of these orders, it is recommended that the orders may be given effect to from 1st March 1954. On hearing from you the Collector of Karwar will be informed that his presumption is correct.

Yours faithfully,

for Custodian of Evacuee Property,
Bombay.

Encl: Copy of letter.

The case pps have been returned vide this Dept. No. BVP1253/29952 for concurrence in view of the the pps may be kept in abeyance.

Sub: Staff for the Administration
of Evacuee Property.

A monthly remmuneration of Rs. 10-0-0 to the clerk in charge of the Evacuee Property work in the Honavar Taluka office had been proposed for the year 1954-55 under this office ~~wmen~~ no. dated 13-1-1954 but the Government in the Rehabilitation Department sanctioned Rs. 8/- eight only per month in their letter Nos. EVP 1254/19916-B dated 16-6-1954 read with their No. even dated 25.8.1954. The date from wh which the additional remmuneration should be given effect to has not been mentioned in the above Government letter.

Endorsement

In view of the proposals submitted from this office, it is presumed that the remmuneration sanctioned by Government was for the year 1954-55 i.e. for the period from 1-3-1954 to 28-2-1955. It may please be informed whether the presumption is correct.

2. Re. See the Dy. C.E.P. Kanara's letter dt. the 24-6-54. The orders referred to above do not indicate the date from which the spl. pay of Rs 4/- pm. sanctioned to the clerk dealing with Evacuee Property works in the Honavar Taluka Office, should be granted. As the clerk was doing the work ~~retrospective~~ even before the orders of spl. pay were issued, it is equitable that he is allowed to draw the spl. pay at least from the beginning of the financial year i.e. from 1-3-1954.

3. The F.D. may see U.O. for convenience in the above proposal. We can issue sanction on receipt of sanctioned proposal.
